

Hawaii Doggie Bakery & Keri Nakahashi Photography Present

Christmas in July

Sunday, July 23, 4pm - 8:30pm

Hawaii Doggie Bakery

Christmas in July aims to provide a fun, entertaining and unique experience for local dogs and their families as well as to give select local Dog Businesses the chance to promote and sell their products and services!

Below is the Application for our upcoming event. Our event space is small and we only have spaces for 7-8 Vendors. In order to provide a great experience for our attendees, we try not to have vendors who are selling the same type of product or service. We also give preference to vendors who have not participated in events before. This application is for Christmas in July and will not roll over to any of our other events. Vendors who are selected to participate will be contacted towards the end of May.

Name of Business	Contact Person
Phone Number:	E-mail address:
Type of Business:	Will you be selling products/services on site? <i>If yes, you must have a copy of your GE License on site</i>
Participation Fee: \$40 Vendor fees to help cover the costs of supplies, marketing, equipment and other event incidentals. If you are selected for our event you will be sent a Paypal Request to submit payment online to the e-mail you provide above	
Booth Equipment: Christmas in July is outdoors, and most vendors will need to be under tents. If you can provide your own equipment, that is preferred. We will do our best to accommodate whatever you cannot provide. Please note, depending on how many businesses we have participating, you may be asked to share a tent with another business. <input type="checkbox"/> I can provide my own tent <input type="checkbox"/> I can provide my own weights (suggested weight per tent leg - at least 20lbs)** <input type="checkbox"/> I can provide my own table <input type="checkbox"/> I can provide my own chairs All Participants must bring their own banner and bungees to hang the banner. Decorating your table/booth in Christmas decor is encouraged but not required. **It can get VERY windy, so weights are a MUST. Also, please be prepared to secure items in your booth (nothing too fragile or wind-catching)	
Marketing: All selected Vendors who use social media are asked to Post as soon as we officially announce the event online and then 2x in July. We will also provide printed flyers upon request	
Vendor Activity: All Participants at our Christmas in July must have some kind of Christmas Activity for dogs. We will provide suggestions to help you out. Having activities is a signature part of our events and we want to make sure everyone is able to have something fun for our doggie guests! Activity selection will be due to Keri or Niki shortly after you are approved. Earlier is preferred as it will help us to promote you and the event!	
Christmas In July 2017 Non-Profit: Our selected Non-Profit for this event is the Hawaiian Humane Society . We will be collecting donations for them as well as incorporating them into the event, details TBD.	
Prize Donations: We greatly appreciate any donations for our event to help with marketing as well as to provide a good experience for our guests. We will send donation requests after Vendors are selected.
